- An excellent TA, probably the best!
- Very helpful classes and office hours.
- Thank you for the hard work. I could tell that Victor had prepared every recitation carefully and that translated into outstanding explanations. The learning process would have not been the same, as at least for me, exercises are a huge part of assimilating new concepts. I felt that no matter the question I had he was always going to provide me with thorough and clear answer. Really thank you. Amazing job.
- Víctor is great! He has put in a lot of work and always seems to be well prepared.
- Great TA. Clear, dedicated and attentive.
